## WHAT IS THE FSS PROGRAM?

It is a voluntary program for current CMHA Public Housing residents and those who hold a Section 8 voucher with CMHA that will allow you to work with the Housing Authority to develop a personal plan to become economically self-sufficient.

## HOW WILL FSS HELP ME?

FSS will make you aware of different services that are available in the community to help you make positive changes in your life. Also, you become eligible for an escrow savings account when you have an increase in your earnings from employment after joining FSS.

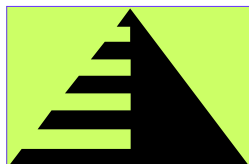

**FSS + YOU = \$\$\$**

## WHAT IS AN ESCROW?

A savings account (from increased employment earnings) will be set up by CMHA that you will be eligible to receive when you obtain specific goals upon program completion.

## HOW CAN I FIND OUT MORE ABOUT FSS, INCLUDING HOW TO JOIN?

Complete the Interest Form below. After completing, email to the address listed, we will review and confirm your information. Once verified you will be mailed instructions and a Pre-Application to complete and return by mail.
